EASY CONTACT INSIGHTS AND ACCESS TO THE HISTORY OF INTERACTIONS WITH CONTACTS

- Being able to quickly get information without switching context while you talk to contact is important, regardless of whether the information is in Microsoft Outlook through the Business Central Contact Insights Outlook add-in, or in Microsoft Teams.
- Business Central provides you with quick and easy access to information and insights for contacts.

CALL NOW +971 50 359 2865

Contact us for further details: <u>support@nimai-rama.com</u>

Contact card also has an Interaction Log Entries FastTab that gives one-click access to the history of interactions your company has had with the contact.
