

# Happy 73<sup>rd</sup> National Chartered Accountants Day

1<sup>st</sup> July 2021

## Engagement Campaign -Purpose

Institute of Chartered Accountants of India(ICAI), laid the foundations of chartered accountancy and officially declared July 1<sup>st</sup> as National CA day.

This serious determined effort and endeavour proclaimed to empower Chartered Accountants(CAs) was authorised by ICAI to honour the valuable services of Indian chartered accountants

## Objectives

We mark this special occasion of gratitude for all Chartered Accountants(CA) with their 73<sup>rd</sup> Anniversary on this day.

Every year this day presents the golden opportunity to celebrate the profession of chartered accountants to build the strong financial foundation and upgrade the CA community

## Origins and Inception of this day

This day provides an opportunity to highlight the integral role of chartered accountancy in any organisation.

Moreover, proper management of finances is possible with their auditing, tax fillings, book keeping, accountancy and other duties

## Institute of Chartered Accountants of India (ICAI)

ICAI is recognised to be the 2<sup>nd</sup> biggest accounting organisation globally and renowned institute to professionally designate chartered accountants.

ICAI is acclaimed to provide their efficient services as a regulatory authority for the financial audit and accounting profession

## Historical background

Since 1949, the committee decided the formation of an autonomous institute to keep a check and regulate the profession of Chartered Accountancy.

This day was officially declared and decided post 1949. In 1918, Government Diploma in Accountancy was launched.
